## REPORT OF SELECTMEN

FOLKS, in presenting this report, there are a few things we would like to have you take notice of, and we would like to make a suggestion or two.

FIRST, take notice of what it is costing us for High School Tuition, from February 1, 1960 to February 1, 1961, it has cost $16,293.21. Now, ¼ of this will equal one year, this would pay one teacher's salary.

We suggest, that when we make an addition to our new School Building, we consider adding an extra room, to be used for Junior High, we believe that the Town would save money in the long run by so doing.

It has been brought to our attention that we may use up to two units, of our State Aid Highway money along with our Town Road Improvement fund, by asking and getting the State Highway Commission's approval. These funds will be matched by the State. As per letter we have here from the State Highway Commission. We suggest that the Town so do.

Through the good team work of Joseph Byrus, Jackson Tupper and Arthur Merrill, we have been able to remedy a bad situation at Crosman Corner where the River Road and Route 125 meet. The ridge of dirt has been removed so that now one can see either way. This was done as a safety measure. A child could have been badly hurt if not killed there. This was done at no cost to the Town. This spring, the land can be smoothed off and the job finished.

We have had the inside of the Town Hall scraped and painted, a new ceiling and table in the Selectmen's office, and a new floor nearly all in at the present time. Anyway, we believe, you Ladies will be proud, when you hold your fair and so forth, to have outsiders come and visit you.

We thank you all for your faith in us and for your co-operation this past year.

# ANNUAL REPORT OF PUBLIC HEALTH NURSING SERVICES IN DURHAM FOR THE YEAR 1960

Public health, in simple terms, is the sum total of the health in individuals and families living in a community. An organized program for public health is one that offers those individuals and families every possible chance of living and enjoying life, free from the handicaps of preventable disease and disability. In more formal terms, the objective of a public health program is to bring to all the people the benefits of modern medical and related sciences including the care and rehabilitation of the sick and disabled, the promotion of healthful living, and the prevention and control of disease.

A number of people are involved in the attaining of this objective. All together they make up a "health team". The public health nurse is an essential member of this team. She shares in planning and action with other workers in the fields of health, education, and welfare; with physicians, hospitals, clinics; with school personnel; with citizen groups. One of her important functions is coordination with the others involved to provide public health services to individuals, families, and community. Citizens of the community are also essential members of the health team. Alert to the health needs of their community, taking their share of responsibility to meet these needs, their contribution as health workers is indispensable to the effectiveness of the public health program. A vital, dynamic, working "health team" in the local community strengthens the public health not only of that community, but also of the State and the Nation.

The effort of your community health team has been most successful this past year. This success only came through the wonderful cooperation and great assistance of your local health officer, Mr. Eugene Smith.

The following statistics will summarize the effectiveness of your working health team which gave you these health services this past year: three child health conferences; with seventy-two children having attended these conferences—forty-five diphtheria, whooping cough, tetanus injections; eighteen smallpox vaccinations and forty-six polio injections were given in these child health conferences.

The school health program included clinics for hearing testing, immunizations and physical examinations. The immunization program this past year was very successful with one hundred and eighty-three children attending. There were thirty-seven smallpox vaccinations, ninety-four diphtheria-tetanus booster injections and eighty-eight polio injections.

It has been a privilege to work with such a co-operative group this past year. At this time I wish to express my appreciation to all who have assisted in meeting the Public Health Nursing needs in the town of Durham.

Respectfully submitted,

JOAN W. HASTINGS,

Public Health Nurse.

## SCHOOL REPORT

To the Superintending School Committee and Citizens of the Town of Durham:

The most important contribution in the education of the youth in Durham this year was the opening of the Durham Elementary School in September. This building has improved the working conditions for the children in all ways—lighting, heating, toilet facilities, water. The closing of the Cedar, Bend and West Durham schools marks the passing of one era and the beginning of another, which will mean a great deal to the children of Durham.

In addition to the faithful service given by the teachers who have been with us for some time, I want to mention the good work of Mrs. Ethelyn Flaws who has returned to the teaching force after several years absence. At this writing, Mrs. Dorothy Silvius has just agreed to replace Mr. Anderson in Grade Seven.

Excellent contributions by friends of the schools this year were a duplicator and movie projector. Such teaching aids enrich the curriculum in both subject-matter and methods of presentation. Movie films, covering many phases of studies, may be either purchased, rented, or borrowed without charge except for postal fee.

The following are the statistics for the fall term:

| Teacher | School | Grades | Enrollment | Salary |
|---|---|---|---|---|
| Elfreida McKenney | Crosman Corner | 1-3 | 30 | $3,100.00 |
| Lubelle Darling | Parker | 1-8 | 21 | 3,400.00 |
| Venona Toothaker | Durham Elementary | 1-3 | 34 | 3,100.00 |
| Ethelyn Flaws | Durham Elementary | 4-5 | 31 | 3,600.00 |
| Hazel Hisler | Durham Elementary | 6 and 8 | 39 | 3,600.00 |
| Carl Anderson | Durham Elementary | 7 | 31 | 3,600.00 |

Durham students attended high schools in Auburn, Freeport, Brunswick, Lisbon, Gray, and North Yarmouth.

I wish to express my appreciation for the courtesies extended by the many friends of the schools and the Superintending School Committee during the year just completed.

Respectfully submitted,

CHARLES H. DIEHL

## AUDITOR'S REPORT

HAROLD L. JORDAN
Public Accountant
Auburn, Maine

February 1, 1961

Board of Selectmen
Town of Durham
Maine

Gentlemen:

In accordance with your request, I have examined the books of accounts and record of the Treasurer, Collector of Taxes, Clerk, School Dept. and all trust funds, selectmen of the town of Durham, Maine, for the year ended February 1, 1961.

As required by statute, one copy of this report and the audit procedural form prescribe by Public Laws of 1957, have been forwarded to the state Department of Audit.

The financial and statistical section, incorporated in this report, are on file with the Town of Durham Officers, present the results of Town's financial operations for the period designated.

Respectfully submitted,

HAROLD L. JORDAN,
Auditor

## COMMENTS

### Town of Durham

### February 1, 1960 to February 1, 1961

An Audit of the financial record maintained by various officials of the town of Durham has been completed for the fiscal year ending February 1, 1961.

It is recommended that the Tax Collector give a receipt to the school department when a credit has been received from the state. Also that the Selectmen and the school dept. check with each other on balances monthly.

## CASH

All cash receipts were deposited in the Depositors Trust Co. Lisbon Falls and all payments made by check from authorized warrants. The treasurer's cash balance at the close of fiscal year was reconciled with bank statement.

It is believed that the accompanying statements present fairly the financial position of the town of Durham on February 1, 1961.

# WARRANT FOR ANNUAL TOWN MEETING

State of Maine County of Androscoggin

To Harlie N. Brown, a Constable of the Town of Durham in said County Greetings:

In the name of the State of Maine you are hereby requested to notify and warn the inhabitants of the Town of Durham qualified to vote in Town affairs to assemble at the Town Hall in said Town of Durham on Saturday, the 3rd day of March, A.D. 1962, at 8:30 o'clock in the forenoon to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Article 2. To see if the Town will vote to accept the reports of the Auditor and the several Town Officers.

Article 3. To see if the Town will vote to dispense with the check list until called for.

Article 4. To see what action the Town will take on a request made by the Central Maine Power Co. that their real estate Valuation be reduced from $141,980.00 which it is at the present time, to $79,370.00 which they claim to be a fair Valuation, or in other words they claim they are overvalued by $62,610.00. The Central Maine Power Co. asks that this reduction be made, spread over a period of years.

Article 5. To see what sum of money the Town will vote to pay the Selectmen, Town Clerk, Superintending School Committee, Treasurer, Collector of Taxes; also men and trucks and graders for labor on the highways for the ensuing year, and Registrar of voters.

Article 6. To see what sum of money the Town will vote to raise and appropriate for the Support of Poor, Officers Salaries, Contingent Account, Repairs of Roads and Bridges, Fire Account, Town Lights, and to defray all other expenses for the ensuing year.

Article 7. To see what sum of money the Town will vote to raise and appropriate to pay snow bills for the 1962-1963 season.

Article 8. To see what sum of money the Town will vote to transfer from excise tax Account to the snow bill account in addition to the money raised under article 7.

Article 9. To see what sum of money the Town will vote to raise and appropriate for the maintenance and support of (A) Schools; (B) Repairs of School Buildings.

Article 10. To see if the Town will vote to raise and appropriate any sum of money for State Aid Road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provision of Sections 44 to 49, Chapter 23, Revised Statutes, 1954, as amended.

Article 11. To see what sum of money the Town will vote to raise and appropriate for cutting bushes on all Town ways not under State maintenance.

Article 12. To see what sum of money the Town will vote to raise and appropriate for special gravel.

Article 13. To see if the Town will vote to instruct the Road Commissioner to have all special gravel money spent on or before August 1, 1962, all money not spent on that date to be carried over to next year's special gravel money.

Article 14. To see what sum of money the Town will vote to raise and appropriate for power grader and ditch work for the ensuing year.

Article 15. To see if the Town will vote to raise and appropriate the sum of $2,000.00 for the continuance of resurfacing and tarring on Stackpole Road. By request.

Article 16. To see if the Town will vote to raise and appropriate the sum of $2,000.00 for the resurfacing and tarring on River Road, beginning at Crosman Corner going toward Shiloh.

Article 17. To see what sum of money the Town will vote to raise and appropriate for the care of old Cemeteries.

Article 18. To see whether or not the Town will vote to raise and appropriate the sum of $50.00 to be paid to the State Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provision of Chapter 91, Section 108, of the Revised Statutes of 1954.

Article 19. To see if the Town will vote to raise and appropriate the sum of $300.00 to cooperate with the Maine Forest Service and Federal Government in the control of white pine blister rust in accordance with Revised Statutes of 1954, Chapter, 36, Section 69.

Article 20. To see what sum of money the Town will vote to raise and appropriate for the maintenance of "War Memorial Park" at Southwest Bend.

Article 21. To see what action the Town will vote to take in regards to allowing discount on taxes, except poll taxes.

Article 22. To see what sum of money the Town will vote to raise and appropriate to care for discounts and abatements.

Article 23. To see if the Town will vote to authorize the Selectmen to sell the settees and with the money so obtained, buy chairs for the Town Hall.

Article 24. To see if the Town will vote to charge interest on all taxes unpaid December 1, 1962, interest to begin September 1, 1962.

Article 25. To see if the Town will vote to authorize the Selectmen on behalf of the Town to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon, by selling such property to the highest bidder and execute quit claim deeds for such property.

Article 26. To see if the Town will vote to raise and appropriate the sum of $50.00 for public health nursing in Durham, said sum to be expended by the State Bureau of Health for local services.

Article 27. To see if the Town will vote to raise and appropriate any sum of money in excess of the $6,000.00 and interest at 3½% which we are committed to pay The Depositors Trust on the note for the new School.

Article 28. To see if the Town will vote to pay all election officials State wages per hour for their time working at all elections.

Article 29. To see if the Town will vote to discontinue the use of snow fence.

Article 30. To see what sum of money the Town will vote to raise and appropriate for Civil Defense and Public Safety.

Article 31. To see if the Town will vote to collect at least 75% of each bill as presented to the Treasurer, by any taxpayer until such taxpayer's taxes are paid in full, or take any other action they deem necessary under the article.

Article 32. To see if the Town will vote to authorize the Treasurer to borrow money on notes countersigned by at least two of the selectmen of the Town to pay the running expenses, said money to be paid from the commitment of the current year.

Article 33. To see if the Town will vote to leave appointment of minor Town officers in the hands of the Selectmen.

Article 34. To elect three members of the Budget Committee, one from each section of Town.

Article 35. To see what sum of money the Town will vote to raise and appropriate for gravel for Shiloh Road, most of gravel to be used from Doughty hill to Brunswick line.

Article 36. To see if the Town will vote to raise and appropriate the sum of $2,000.00 to be used for the rebuilding of the Davis Road.

Article 37. To elect the following officers, to wit; Town Clerk, Selectmen, Assessors and Overseers of poor, Town Treasurer and Tax Collector, one member of the Superintending School Committee for three years, and one Road Commissioner, one Constable and three Fire Wards.

Article 38. To transact any other business that may legally come before said meeting.

The polls will be open at the Town Hall at One O'clock in the afternoon and will close at Seven O'clock in the evening, Hereof fail not and have you there this warrant with your doings thereon.

Given under our hands and seal at said Durham this 8th, day of February A.D. 1962.

DWIGHT D. WRIGHT

JOHN EMERSON

Selectmen of Durham.

# Report Of Health Nursing Services

## IN DURHAM FOR THE YEAR 1961

The general purpose of public health nursing is to help people and the community as a whole to achieve and maintain optimal health. Your public health nurse carries out this purpose by giving preventive, threapeutic, and rehabilitative services to individuals and families in their homes; through health services in schools; through organized community programs for prevention of illness and promotion of health.

Your public health nurse made twenty-two visits to the town of Durham during the past year. Families and individuals who were visited in their homes were referred by the following agencies: school, hospital, and crippled children's services. The purpose of these visits was to help alleviate health problems within the homes. Other visits to this community were involved with group health activities.

# Report Of School Superintendent

To the Superintending School Committee and Citizens of the Town of Durham:

This has been a satisfactory and progressive year in the schools, I am pleased to report. It is very important to have continuity in the teaching force, and not to have changes each year. I feel that we have a sincere devoted group of teachers who are interested in the welfare of their pupils.

The new school is standing up well and is not showing any more than the usual wear of any building. In general, the students are taking good care of it. I do hope, however, that some thought will be given to the advisability of surfacing the gravel playgrounds around the building next spring or summer. Otherwise we are due for trouble in preserving and maintaining the tile floors. The tracking into the school of the gravel causes it to be ground into the surface of the tile, thus acting like sandpaper and cutting into the tile.

The pupil load of the teachers is excessive. It is difficult to teach in the proper way when classes exceed 30. It has been done, but a teacher cannot give individual attention to the needs of her pupils when she has such a large enrollment.

Following are enrollment statistics:

| Teacher | School | Grades | Enrollment | Salary |
|---|---|---|---|---|
| Elfreida McKenney | Crosman Corner | 1-3 | 35 | $3300.00 |
| Lubelle Darling | Parker | 1-8 | 28 | 3500.00 |
| Venona Toothaker | Durham Elementary | 1-3 | 35 | 3200.00 |
| Ethelyn Flaws | Durham Elementary | 4-5 | 40 | 3700.00 |
| Hazel Hisler | Durham Elementary | 6&8 | 42 | 3856.00 |
| Dorothy Silvius | Durham Elementary | 7 | 38 | 3300.00 |

Students from Durham in secondary schools are as follow:

| | |
|---|---|
| Brunswick High School | 8 |
| Edward Little High School | 13 |
| Freeport High School | 7 |

| | |
|---|---|
| Lisbon High School | 34 |
| North Yarmouth High School | 1 |
| Total | 63 |

There was an overdrat in the High School Tuition this year because of the great increase in tuition fees over which we had no control. We do not know until September how many are actually going to attend high school and what the increased tuition charge will be in the various schools.

I express my thanks to the Superintending School Committee for a very pleasant and cooperative school year.

Respectfully submitted,

CHARLES H. DIEHL

Tel. 782-6954
February 1, 1962

Board of Selectmen

Durham, Maine

Gentlemen:

In accordance with your request, I have examined the books and records of the treasurer, collector of taxes, and selectmen of the town of Durham, Maine for the fiscal year ending January 31, 1962.

As required by statute, one copy of this report has been forwarded to the State Department of Audit. Our examination was made in accordance with general accepted auditing standards and include all procedures which I consider necessary.

The financial and statistical section, incorporated in this report, are on file with the Selectmens office, present the results of Town's financial operation for the period designed.

Respectfully submitted,

HAROLD L. JORDAN

Auditor

# COMMENTS

**February 1, 1961 to January 31, 1962**

It is recommended that the treasurer clear all warrants by check and re-deposit in the checking account to clear all transfers from one account to another. The treasurer should notify the school department on all incoming checks for their accounts.

The treasurer never received cancelled checks in his bank statements in May, 1961, totaling $502.24. Depositers Trust sent a copy of the cancelled checks from "Recordak Film".

The school and snow account were major factors contributing to the years overdrafts.

Trust Funds investments were examined, and the income withdrawn appeared to have been properly expended. Balances were left on deposit.

It is believed that the accompanying statements present fairly the financial position of the town on February 1, 1962.

## *A SHORT HISTORY OF DURHAM*

taken from History of Durham, Maine

As far as records can be found, the first people settled in this town about 1760 to 1765. Although people had been here, none had really stayed until then. On June 3, 1767 a division of 96 lots was made and they were bought by twelve people. That made up the town of Royalston as Durham was then called. These twelve people started selling their different parcels of land until 1776, when there were twenty five more families living here. They then decided to change the name from Royalston to Royalsborough. The name was taken from one of the first settlers Gen. Isaac Royall. The first meeting for public business was held Feb. 24, 1774. The proceedings of the first meetings had to do with roads, schools and a church.

One thing that was found to be very interesting was: "On Oct. 8, 1783 it was voted that all sleds in this town Shall Bee four feet Beten Goints and any man in this town Bee found Sleding with Sled of Less weadth then that a Bove mentioned Shall B Liabel to fine of twenty Shillings five."

On February 17, 1789 the town was incorporated with 70 families and a population of 700 people. The name was then changed to Durham, why it was so named no one knows unless it was named for Durham, England.

The first town meeting of Durham was held March 17, 1789.

In the early days no one was allowed to move into the town usless they were given permission. If they did move in they were issued a warrant and told to leave. They could apply for permission and return if it was approved. They were only given fifteen days to comply with the warrant.

The early roads in the town were nothing more thas woods roads called Rangeways. The first real road built, that is still almost as it was laid out, is still almost as it was laid out, is the road from the

Freeport line to South West Bend. Over that road many things were hauled from Freeport and points south to the Bend where they were rowed up the river, hauled around the Rips and on to Lewiston and points beyond. The transportation of goods by water was not easy, so in 1781 they built a road following the river to the Auburn line. In 1828 they moved the road up over the hill at South West Bend and it is almost the same as it was then.

In the early 1800's South West Bend was a large business district. People from Lewiston, Auburn, and points beyond, would come there and do all their shopping. There were several large stores, many doing wholesale business. There were many shoe shops, a corn factory, tannery, carding mill, woolen mill, bakery, tailor shop, milliner's shop, 2 lawyers offices, a dentist, Doctors, five inns, and an apothecarys' shop. There was also a ship yard, and in 1823 a fishing schooner was built and hauled to Maquoit Bay in Brunswick, where it was launched.

The first church, The North Meeting House as it was called, was built in 1782. It was built about 2 miles below South West Bend. The cemetery that was near the church is still there, with a few stones left, and is cared for each year. Near the Church was a small round brick powder house built in 1812 at a cost of $70.00. Also near by was the Pound. After building the North Meeting House, the Town Meetings were held there until 1840, when they decided to build a "Town House."

The first school was built in 1780. Before that the schools were held in private homes. In the year 1782 they appropriated $100.00 in silver for schools, two-thirds to be expended in summer, the rest in winter. The appropriations for schools steadily increased until in 1830 $400.00 had to be raised. In the year 1819 there were thirteen school districts in the town. The schools in those days were ungraded. There was a summer and winter term of about ten weeks each.

Durham has always had an ear for music and at one time had a lively band led by Joseph Tyler. It

was in demand at political rallies of both parties. The fourth of July could not be celebrated in Androscoggin County without the Durham Band. The last parade the Band was in, was the Centennial in 1889.

The Centennial was held on the twenty-second of August 1889. It was estimated that five thousand persons were in attendance. A big tent was set up on the Fair Grounds and the houses and churches at South West Bend were decorated. The day was ushered in by a salute of thirteen guns in honor of the original thirteen states. A parade, ballgame, speeches and music went on through the day. Much the same program was enjoyed on August 12, 1939 when the 150th Anniversary was celebrated. There were cars from eleven different states parked by the roadsides. The parade of about a mile was marshalled by Merton Stackpole who was an aide in the parade fifty years before.

The Durham Agricultural Society was formed May 8, 1886. The town voted $200.00 to build a house for the exhibition of agricultural produce etc. The fair grounds were located across from Eureka Grange Hall. The last fair was held in 1901.

Durham has had many notable people. Among them Annie Louise Carey, Hon. Nelson Dingley, Jr., Hon. William H. Newell and many others.

## SCHOOL REPORT

To the Superintending School Committee and Citizens of the Town of Durham:

My last report to you as your superintendent is one of appreciation for the effort extended in improving the education of the youth of Durham. During my term of office, the replacing of three one-room schools with a modern four-room school has improved the learning situation very much. It is my hope that four more rooms will be added in the very near future to avoid overcrowding which is now becoming evident.

Students attending high schools in other towns are showing good promise in various phases of activities, such as scholarship, music, and athletics.

Statistics for the year are as follows:

| Teacher, School | Grades | Pupils | Salary |
|---|---|---|---|
| Elfreida McKenney | | | |
| Crosman Corner | 1-3 | 37 | $3,450.00 |
| Lubelle Darling | | | |
| Parker | 1-6 | 25 | 3,600.00 |
| Venona Toothaker | | | |
| Durham Elem. | 1-3 | 37 | 3,300.00 |
| Ethelyn Flaws | | | |
| Durham Elem. | 4-5 | 40 | 3,800.00 |

| Gray School Administration District | 1 |
| North Yarmouth Academy | 1 |
| Brunswick High School | 12 |

| | |
|---|---|
| Lisbon High School | 39 |
| Total secondary pupils | 79 |

In has been a pleasure for me to have served the past seven years as your superintendent and to have received excellent cooperation from the teachers, the school committee, and the citizens of Durham. I wish you the best of success in the future in your efforts to improve the quality of education for your young people.

## AUDITOR'S REPORT

*Harold L. Jordan*

Public Accountant, Auburn, Maine

February 1, 1963

Board of Selectmen — Town of Durham, Maine
Gentlemen:

In accordance with your request the records of the Town of Durham have been Audited for the fiscal year ended January 31, 1963.

Audit analysis was on a basis consistent with that of the preceding year, and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the town appear to have been appropriately handled, with such exceptions as may be noted in the accompanying comments.

Exhibits and schedules incorporated in this report present the results of the financial operations of the Town for the period designed. Recommendations are also offered which are believed to be worthy of considerations.

Respectfully submitted
HAROLD L. JORDAN
Auditor

### TOWN OF DURHAM

February 1, 1962 to January 31, 1963

An Audit of the financial records maintained by various officials of the Town of Durham has been completed for the fiscal year ending Feb. 1, 1963.

It is recommended that the Tax Collector, Treasurer set up and keep their bookkeeping up to date at least weekly. The Selectmen require the Tax Collector to turn in his receipts every month. It is recommended that the Selectmen require the Tax Collector to attach Liens to all unpaid Real Estate for 1962 un-

paid taxes. If the bookkeeping of the various departments were kept up to date, the cost of the Audit would be kept to a minimum.

It is recommended that the Tax Collector record each payment on the cash sheets as soon as the payments are made and the cash sheets be numbered with treasurer receipts. The Tax Collector, Treasurer should not change the numbers on any receipt.

*Scope of Audit*

Count of cash was made and records checked to determine the accuracy of recording cash transactions. Trust Funds were reviewed and verified. The saving account balances of these funds were reviewed and verified by actual inspection. Insurance and bond coverage were listed. Excise Taxes collected were verified by examination of the copies of receipts retained by the collector.

The fiscal year operations showed that the following have Overdrafts of $5,069.84 School Department, $532.32 Snow Account, Discount and Abatements of $2,707.87. Also $10,000 of Temporary Loans were unpaid by 1962 collections.

It is recommended that the town appropriate a larger sum for Discount and Abatements, due to the larger commitment from appropriation at town meeting.

It is believed that the accompanying balances, including balance sheets and supporting information fairly presents the financial position of the Town January 31, 1963, and the results of its operations for the year ended.
